The Six Important Features For A Better Spine Protection.

- 
 • Endorsed & Recommended by International Spinal Institute and Chiropractor
- 
 • Well ventilated cushioned grooves backing and EVA padded straps provide stress free support and comfort to user's shoulder.
- 
 • Detachable waist belt stabilize the bag's swinging motion and bring the bag closer to user's back and waist area, effectively redistribute the load evenly.
- 
 • Orthopedic Spinal Protection System (OSPS) is ergonomically designed to best fit the user's back and spine area.
- 
 • USA 3M Scotchlite reflective materials used for better safety at night, or in low light conditions or places.
- 
 • Book divider with inner suspension straps and non-slip PE board base hold contents in real vertical position and stabilize overall bag's gravity.
